The following payment frequencies are available for your convenience:

- Quarterly – Due in February, May, August and November – 15th of each month.
- Annual – Payment by 31 March is requested.

Fee Assistance

It is an obligation binding parent(s)/guardian(s) who believe they may be unable to pay the fees in full, that they discuss this with the School Principal as soon as possible. Assistance may be available to families in cases of financial hardship.

PLEASE NOTE

- Schools may charge students for activities that are extracurricular to normal school activities. Examples include music lessons, excursions, primary school camps, school retreats, advanced learning programs, self-development programs etc.
- As a general principle, costs for extracurricular activities will be billed separately to normal school tuition fees, noted as an extracurricular activity fee and will be separately accounted for in school budgets. Where participation in these extracurricular programs is voluntary, fee assistance will not be available to cover the cost.
- Where participation in these extracurricular programs is compulsory or requisite to the school curriculum, fee refunds will not apply. Schools outlay a set amount to fund the provision of excursions in their annual budget based on the full complement of students attending. Fee assistance may be available to cover the cost in part or full for families facing financial hardship.
