Billing

Invoices will be prepared and sent at the commencement of the 2026 school year. A Direct Debit form can be downloaded from the school website.

Your obligation

As part of your enrolment contract, you have legally agreed to a financial commitment and are legally bound to pay fees and charges for your enrolled child.

The following payment frequencies are available for your convenience:

- Fortnightly / Weekly – Direct Debit via bank account or credit card (Fridays)
- Monthly – from February to October (9 payments) – 15th of each month
- Triannual – Due in March, June and September (3 payments) – 15th of each month
- Annual – 31st March (1 payment)

Payment Arrangements

All new families or families without a payment arrangement in place must complete the "Direct Debit Authority" by the end of the 2025 school year and scheduled payments will be set up by the school to pay either by Credit Card, or Direct Deposit.

Direct Debits will be set up at the start of the year for weekly (36 weeks), fortnightly (18 fortnights), monthly (9 months), quarterly (3 payments) or yearly payment options.

Centrepay is available for Centrelink recipients to have payments deducted from their benefits.

Any other payment methods not mentioned above must be discussed with the school Finance Officer and are subject to approval.

All existing direct debit arrangements will continue or resume unless notice is given to the school and an alternative direct debit is in place. For continuing direct debit arrangements, amounts will be varied to reflect the 2026 fees.

Camps

Participation in the Year 4, 5 and 6 camps are compulsory and a requisite to the school curriculum, fee refunds will not apply. In extenuating circumstances, camp fees may be refunded if approved by the school Finance Officer no later than 60 days prior to the scheduled camp date. Students who are unwell and can't attend camps are still required to pay for the costs incurred by the camp provider as schools outlay a set amount to fund the provision of camps in their annual budget based on the number of students in that year level.

Fee Concessions for 2026

Catholic Education Sandhurst wishes to inform Primary School Families holding eligible (means tested) Health Care Cards or Gold DVA cards that they are eligible for a significant reduction in school fees for the upcoming 2026 year.

The discount will be applied automatically upon supplying the following:

- School's Application Form (attached)
- School's Direct Debit Authority Service Agreement or copy of the CentrePay application (attached)
- A copy of the eligible means tested HCC or PCC or DVA card
- Camps, Sports & Excursions Fund (CSEF) application form (attached)

Please note families who were eligible and submitted an application in 2025 do not need to reapply and will have their concession validated in the new year.

Applicants will receive written notification of the outcome. Any applications for fee concession will only be valid for 2026 and eligibility be reconfirmed each year in line with the policy.
